

TASMANIA BIG CAMP 2026

WELCOME TO BIG CAMP

Welcome to Tasmania Big Camp 2026.

Our pastoral team is delighted that you have chosen to be part of Tasmania Camp 2026.

Big Camp is a special time to connect with one another while also creating space for God to speak to us and inspire us for the year ahead.

Each division has invested a great deal of time and prayer into their programs, and we are excited to see what God will do over these eight days together.

As you enjoy camp, take the opportunity to meet new people, build friendships, and be encouraged by the speakers and worship experiences.

Above all, it is our prayer that this camp will be a meaningful and life-giving blessing for everyone involved.

Pastor Jeff Parker
**PRESIDENT TASMANIAN
CONFERENCE**

IMPORTANT INFORMATION

Animals

Dogs, cats or other pets are not permitted on site.

Child Supervision

Parents are reminded that their responsibility for their children does not cease when they come to camp. While every care is taken and there are activities for children, camp is not a child minding facility. The Conference does not take responsibility for the care of children during camp. Their absolute safety cannot be guaranteed.

The ultimate responsibility for the care of children always remains with parents or guardians. Please ensure that the conduct of your children and young people is adequately supervised through the camp period, and that your children are fully under your control between meetings.

Please sign your children in and out of their meetings and activities. An adult must accompany your child in the Kindy division.

Curfew

There is a camp curfew for all campers at **10:30pm**. There will be a quiet-down period from 10:00pm, and all campers should be in their accommodation with no noise between 10:30pm and 6:00am.

Departures

Departures from camp should not be planned during Sabbath hours as a courtesy to other campers, apart from exceptional circumstances. At the conclusion of camp or when you depart your camp site, all furnishings and rubbish must be removed and taken to the appropriate area so your campsite is left clean and free from debris.

Dress and Language

Please observe a modest standard of dress and deportment. Loud and offensive language is not accepted or tolerated.

Drug-Free Zone

The camp ground is designated an alcohol, tobacco and drug-free environment. Alcohol, tobacco and illicit drugs are NOT to be brought onto the campground. Offending people and their entire campsite will forfeit their rights to be on the grounds for the duration of camp.

Fundraising, Soliciting, Private Business

Camp is not to be used to further personal business activities. Campers are asked not to distribute, sell or canvass anything that has not been authorised by Conference Administration.

Lost Property

All lost property should be handed in to the Camp Office. Please identify your own lost goods there.

Meal Tickets

Limited meal tickets are available. If you have not pre-purchased tickets, you can check availability at the Camp Office at least 24 hours in advance. All meals are \$17 each.

For those who have purchased meal tickets, please present your Camp registration ticket to be scanned at the kitchen window at each meal time.

Noise Levels

Noise levels are not to disturb other campers.

Photography At Big Camp

Most people taking photos of children at Big Camp are doing so for acceptable reasons and using appropriate methods. However, it is worth noting that many photographs taken in public places will include subjects who have not consented to their photo being taken.

In Australia, generally speaking, there is no law restricting photography of people (including children) in public spaces as long as the images are;

- ✓ Not considered indecent
- ✓ Not being used for voyeurism
- ✓ Not being used for commercial purposes without a Model Release/ Consent.

However, where an event is held on private property, such as Pinesprings, the owners of the private property are able to restrict or ban photography. Understanding this, the Tasmanian Conference requests that you adhere to the following guidelines when it comes to photography at Big Camp:

Authorised photographers have been employed to take photographs at Big Camp. They will be wearing a staff lanyard. If you do not wish your child to be photographed by the photographer for any reason, please contact the Camp Office and identify the children.

If you are taking photographs that include minors, please endeavour to restrict the images to those children that are related, or known, to you.

Due to child protection issues, photos of children at camp, other than those that are directly related to you, should not be posted onto the internet, social networking sites or any other form of electronic service.

Photography within the Children's Divisions is restricted to authorised photographers

only. A designated 10-minute time frame will be provided at the conclusion of select programs, allowing parents to capture photographs of their children alongside division leaders and against the division backdrops.

Mobile phones with photographic ability and cameras are not to be used inside the amenities blocks. If you have concerns about inappropriate photographic behaviour or content, please report this to the Tasmanian Conference administration.

If persons are being found to be taking photographs inappropriately, Tasmanian Conference administration will request that the person stop, and/or take appropriate action given the circumstances. If the person refuses, the police or security will be called to escort the person from the property.

Power

Limited power is available so please keep the use of power to a minimum.

Property

Vandalism of any kind, including interfering with camp property, fences or notices, will result in prosecution and/or request to leave the grounds.

Security

Security will be on the grounds 24 hours per day. Even with security in place we cannot guarantee the safety of valuables left unattended in your tents, caravans, etc. Camp administration cannot be held responsible for the loss of your valuables. It is required that campers will respect and comply with instructions from security personnel.

Speed Limit

Please observe a SPEED LIMIT of **10km/h** at all times.

Toilet Block Cleaning

Please remember that the cleaners are working hard to keep the amenities blocks clean and well-stocked. If you have any concerns, please report these to the Camp Superintendent. Cleaning times can be reduced considerably if campers can remain outside the amenities, while they are being cleaned.

Trees

For safety reasons, please refrain from hanging any ropes, swings, washing lines or hammocks in trees.

Vehicle Parking

All vehicles must be parked in the main carpark outside the camping area. This is to reduce movement of vehicles on the grounds and to keep children safe. Once you have set up your campsite please move your vehicle immediately to the car parking area.

Car parking in designated car parks only.

Water

Please use water wisely as we are on tank water and our supply is limited. Keep shower times to a minimum.

Please note that drinking water taps are marked with blue paint and non-drinking water taps are marked with red paint. The non-drinking water is only suitable for watering the grass and fighting fires. Please do not use it for anything else. Please refer to your map for the location of water taps.

Wristbands

Please note that wristbands must be worn onsite at all times. Wristbands are worn to show that all attendees onsite have registered to attend our event. Our Church's Adsafe department requires that all visitors, both residential and day visitors, must be screened. This is a preventive measure aimed at keeping children safe. Thank you for your cooperation.

SPEAKER | PASTOR ADAM RAMDIN

Adam Ramdin resides in the UK and currently serves as Executive Producer for Lineage Journey, a multi faceted educational tool that explores our spiritual heritage showing the connection between the past and the present. Adam has worked in several positions in ministry including formerly working with young people which remains a passion of his. He loves to to equip them to make bold, intelligent decisions for Christ and sees Lineage as another avenue through which to educate people. Adam is married to Aiko and they have a son named Enoch and a daughter named Eden. He enjoys traveling, outdoor activities, especially snowboarding when possible.

ONE FAMILY • ONE MISSION • ONE GOD

As followers of Jesus, we are called to live in a unity that can only be found under the banner of the One who brings us together — Jesus Christ. True oneness is not created by our own effort but grows as we centre our lives, our families, and our church community on Him.

Jesus prayed, “I pray that they will all be one, just as you and I are one... And may they be in us so that the world will believe you sent me” (John 17:21). This prayer reminds us that our unity is both a gift and a witness. When we are united in Christ, the world sees the power of His love.

In 2026, we gather as one family, committed to strengthening our homes and relationships. We embrace one mission, choosing to live outward-focused lives that reflect Jesus to our communities. And above all, we worship one God, the source of our identity, purpose, and unity.

Together, under Christ, we are ONE.

MORGAN VINCENT

Having been saved from a near-death incident as a 19 year old, Morgan loves to share the gospel of God's grace. He is currently serving as pastor in the SNSW Conference and has also worked as a teacher and chaplain. Along with his beautiful wife, Micaela, they enjoy making new friends, travelling and the outdoors.

For the second year, in 2026 we are focusing on the theme of putting our Faith into Action. For a lot of us, we are a moment in our lives where we are asking ourselves what comes next? What does God want me to do? Will my parents be proud of this? And often it takes action to understand our purpose. As we spend the week in workshops for everyday practical living, exploring the life of Peter as a disciple of Christ, in fun, prayer and worship, make time to zero in on God's calling for you to take action in 2026.

JETS SHED

AGES 10-15

SPEAKER

Greetings from Northern Australian Conference, my name is **Orlando Pule** and I'm ministering across three churches and a local Adventist school in Townsville. I'm passionate about youth ministries and Pathfinders, where I believe these ministries create powerful spaces for young people to encounter Jesus and grow in discipleship. Fun facts about me is I love sport (Rugby League and Basketball), I love music and I was born in Tasmania, Launceston to be exact and am excited to return home for the first time. I hope you are all ready for a week of fun, fellowship and belonging.

"Don't let anyone think less of you because you are young."
1 Timothy 4:12

UNO You Can. This year, we want every JET to know that age is not a limitation and that "not yet" doesn't mean "not ever." No matter how young they are, how unsure they feel, or how much they think they still have to learn, they can step up, get involved, and lead. UNO You Can is designed to challenge and inspire our kids to try new things, move beyond their comfort zones, and step into courage. We're excited to hear from Orlando Pule. We can't wait to spend intentional, meaningful time with our JETS again in 2026 — helping them grow, lead, and believe the truth: UNO You Can. See you at Big Camp!

PRIMARY SHED

AGES 5-9

SPEAKER

Pastor Patrick Tuialii: Pastor Pat comes from Northern Australia and has been a chaplain at Carlisle Adventist College in McKay for the last three years. Pat loves telling stories and is very creative when sharing Jesus stories with the kids. Ask him to show you a magic trick! Pat is married to Malia and has three children. You will see him around more often as he's going to be joining us in Tas!

This year, the Primary Shed will explore the theme 'Magnified'. Each day, we will look closely at nature facts and stories of Jesus in the Bible, to discover the goodness of God in the smallest of things. The daily programs will be jam packed with worship, learning and fun – something for everyone. With songs, puppets, crafts, games and exciting excursions, it will be a week to remember!

KINDY SHED

AGES 0-4

LEADER

Natalie Moore, or Aunty Nat as she's known at Launceston Church, has been involved in Beginners Sabbath school for six years, regularly engages the children and adults alike with her children's stories and scripture songs. This is her first year leading in the Big Camp Kindy Shed.

Nat is a stay at home mama, and co-owner of Line Marking Tasmania with Marcus, her husband of nine years. They have two children, Sage and Chase. Nat loves animals, being in nature, swimming and reading.

Join us in the Kindy shed for an exploration of the **BIG** and *small* things that God has made. From great big planets to tiny insects, explore nature and size with interactive and sensory play opportunities, songs, stories and a few real LIVE visitors to observe.

Please note: All children attending this division require a parent/carer to attend and be involved.
